**Quick Tip!**

Classroom Chanukah parties abound in the days before and during Chanukah. To help teachers provide entertaining activities for their students, the Walder Education Pavilion of Torah Umesorah presents the following fun ideas:

1. Play "Pin the Shamash on the Menorah"! The Walder Education Pavilion of TU has a colorful "Pin the Shamash on the Menorah" poster with shamash templates on chinuch.org.
2. Use our delightful "Chanukah Bingo Game" to engage your students in a fun activity that reinforces Chanukah concepts. The "Chanukah Bingo Game" can also be found on chinuch.org.
3. Take pictures of your students "dressed up" as Yehudah Hamaccabee, a dreidel, and/or a latke with our charming "Chanukah 3-D Displays". The children can make beautiful Chanukah cards using their pictures. Then you can use the "Chanukah 3-D Displays" for a bean bag toss game!
4. Provide your students with hours of enjoyment with our "Chanukah Fun Time Book" created by David Sokoloff (3 sample pages attached-full book can be found on chinuch.org). You will find color-by-numbers, connect the dots, and other fun activities.
